

VFC providers have 60 days prior to the expiration of their current Provider Agreement (PA) to complete annual re-enrollment. Providers are encouraged to initiate re-enrollment at the *beginning* of their 2 month window. Those who do not complete re-enroll by their expiration will be dis-enrolled from the Program. Enrollment guidance documents are available in the TennNIS Document Center.

Documentation for VFC Enrollment can be scanned to VFC.Enrollment@tn.gov or faxed to 615-401-6831. After submission of all required documentation and the electronic Provider Agreement in TennNIS, please allow 7-10 business days for processing. For additional assistance or to report facility contact changes in the interim, please contact the **VFC Enrollment Team** at VFC.Enrollment@tn.gov or at 800-404-3006.
