

# Back to the Office Campaign

## Social Media Communications Examples

### The time is now!

Immunizations are key to maintain children's health. If your child is scheduled for a routine vaccination, don't wait! Contact our office now!

### Stay on track with vaccinations!

Washing your hands and social distancing help prevent COVID-19 and routine immunizations help prevent many other dangerous illnesses. Contact us to learn about available vaccination options.

### Well child care is important, even during a pandemic.

Wash your hands often and contact us to discuss regular well child visit options.

### Don't delay! Even during social distancing, children need checkups.

Well child visits and routine immunizations are important, especially now. Children keep growing and it's important that they stay on track with checkups and vaccinations. Contact us to see what checkup options are available.

### We are here for you!

By phone, through telehealth or in person, we are here for you. Call us today to learn about what options are available for your child's visits and vaccinations.
